4. CUSTOMER COMMITMENTS

The client must provide us with the necessary materials within a reasonable time to start and complete the project. If the scheduled payments are not made on the specified dates, you must inform us so that we can reschedule and ensure that the project is completed accordingly. However, if any of the payments is significantly delayed without prior arrangement, our company reserves the right to cancel the project and invoice you for the total work completed. Our company is not responsible for delays in delivery if the customer delays sending the required materials for project completion.

Thank you!
